

Remarks

Applicants wish to point out certain inadvertent typographical errors in the Remarks section of the Amendment filed May 10, 2010. At page 6, line 12, “(1360°C to 1400°C) should read “136°C to 140°C”. Page 6, line 17 “[950C-1300C] should read “95°C-130°C”. The errors include the inadvertent insertion of a zero “0” in the aforementioned temperatures. The filing of this Supplemental Reply is proper under 37 C.F.R. 1.111(a)(2)(E).

Applicants apologize for the errors.

As the Amendment filed May 10, 2010 was a complete and timely (with a two-month extension fee) response to the office action of December 9, 2009, no fee is believed due for the filing of this supplemental paper for the purpose of correcting typographical errors in argument.

Respectfully submitted,

XIN QI, *et al.*
